

Thank you for buying I am convinced the best ink in the market in hair micropigmentation.

Why Scalp Elite© Ink?

We offer the largest range of shade to have the perfect color for each skin type.

White, Swarthy, Mulatto, Black, Arabic, Asian, Latino. There is no problem, you will always find the perfect shade to match. Scalp Élite© ink is an organic carbon based pigment without minerals.

✕ Less pigment rejection      ✕ Fast healing with less redness      ✕ U.V Safe. Will not turn blue\*

Each number of Scalp Élite© is precisely blended to produce a distinct and consistent shade.

Shade 1 being the lightest and Shade 8 being the darkest. Take the guesswork out of mixing and experience closer healing shades with less "heal out".

Scalp Élite© ink is processed in a sterile facility and is tested and certified for the EU.
